FUSION BOWL BAR

We invite you to embark on a culinary adventure, crafting your perfect bowl to suit your unique taste buds. Your Fusion Bowl Bar is a vibrant and customizable dining experience that celebrates the freshest ingredients and boldest of flavors.

BASE:

Start with a foundation of your choice. Spanish style rice, cilantro lime rice, or crisp fresh greens for a lighter twist. If you prefer a tortilla, your bar will have both flour and corn tortillas.

PROTEINS:

Select from a variety of mouthwatering proteins, perfectly seasoned and cooked to perfection. Your fusion bowl bar will also have succulent options such as grilled chicken, smoked pork, and buttery cauliflower

FRESH INGREDIENTS:

Enhance your bowl with a colorful array of fresh ingredients. Your bar will boast of a selection of house-made pico de gallos, from the mild and tangy pico de gallo to the fiery and smoky jalapeño pico. Top it all off with creamy guacamole, cooling sour cream, and a sprinkle of cotija.

TOPPINGS:

Load up your bowl with a vibrant assortment of vegetables, from crisp bell peppers and roasted corn to crunchy onions, and blistered shishito peppers. Our fresh greens also include diced tomatoes, shredded lettuce, and pickled red onions for that extra zing.

ACCOMPANIMENTS:

Compliment your Fusion bowl with extensive accompaniments such as smoked black or pinto beans, or tangy pickled jalapeños. Customize your bowl's flavor profile with our selection of signature sauces. Bold Menage, spicy Diablo, and Smoky Chipotle Plum.
